30 of 1913-14, the Senior Surgeon proposes 4 special scholarships of the scale sanctioned to medical pupils of Sub Asst Surgeon's class, over and above the twelve scholarships sanctioned for the current year. Henceforth, such grant, subject to the usual conditions, in favour of L. M. S. Students has been recognised by Govt in their Order No 9848 of med. 37-12-68 of 12-6-13.

Explanation on R. N. why that file is not traceable, the indifference of the Branch in this matter is striking.

The provision for 12 Scholarships is proved by recent events to be quite inadequate for administrative purposes. The Financial objection means nothing more than that these four applications exceed two twelve Scholarships
